

# 1945

- In post-war Turkey, Mr. Zekeriya Daskan began handcrafting doors and windows in the town of Pozanti, laying the foundation for a generational woodworking legacy.

# 1980

- Mr. Mustafa Daskan moved the family workshop to Adana and expanded the business, working alongside his son Savaş to shape its future.

# 1994

- Mr. Savaş Daskan took over leadership, introduced kitchen cabinetry, and began modernizing and scaling the company's operations.

# 2000

- The company operated from a 500 m<sup>2</sup> facility, steadily growing its capacity and customer base.

# 2010

- The business transformed into a 10,000 m<sup>2</sup> modern factory, establishing itself as a leader in high-quality cabinetry manufacturing.

# 2015

- The Daskan family expanded internationally, entering the South African market with their expertise in kitchen cabinetry.

# 2025

- LineaVita was officially founded by Mr. Savaş and his sons, combining Turkish craftsmanship with global design to offer premium cabinetry solutions.
